NRI PARENTS ASSOCIATION AS A SOCIAL MOVEMENT

Dear Hon Shri Jayanarain Bhai

We represent the parents of NRIs who have chosen to live in Gujarat. We started our association in 2002 with sole purpose of welfare of parents of NRIs who suffer from loneliness. We are creating a bond of friendship and we try to help each other as one family. We are registered with the Charity Commissioner. So far we have two NRIPAs one in Vadodara and second in Ahmedabad. (other NRIPAs in India are in Aurangabad, Pune, Nagpur, Coimbtore, Bangalore, Vijayvada) We help each other not only in times of need (like health, accidents, social emergencies) but we also help in getting VISAs, and other travel related issues. We meet every month and celebrate events together whenever possible. Activities of our association are a social movement and needs to be spread amongst many in Gujarat.

Our Constraints

We are not able to spread our network to many needy parents for want of proper infrastructural facilities like office, good library and a meeting hall (for monthly meetings which is generally on Sundays).

Request for Help

We request you to help us to get some infrastructural facility (small office space and meeting hall) either by allotting us some space in existing facilities available with the Govt or Municipal Corporation.

We are thankful to you for having motivated Govt. of India to grant status of International Airport to Vadodara. The work is already in progress. We have a dream of having a NRI hostel near the Airport for the NRIs who come from distances. So that they can get a break to rest for a day. If you can help us with some land and allot some funds for the purpose we can not only have a NRI hostel but we can have a small library, small conference hall and a cafeteria. (Such facility is created in Vijayvada in AP for the NRI parents Association.) I am sure we can do better.

Parents of NRI live not only in cities and towns but also in many villages. Our aim is to create as many NRIPAs as possible in Gujarat to make the parents happy. We are proud of our children who are living abroad and bringing laurels to our India. NRG movement will be incomplete without the happy parents of NRIs living in Gujarat. We need your help to locate such clusters in Gujarat to begin our movement. We would like to promote formation of NRIPAs in Gandhinagar, Rajkot, Surat, Jamnagar and Kachha.

We look to you to help us in our mission.

Regards

AJ Goswami
